

ACTIVATION OF INTRA-UNIVERSITY CHANGE OF PROGRAMME PLATFORM FOR THE 2024/2025 ACADEMIC SESSION

This is to notify the University Community and the general public that the Vice-Chancellor, Professor R.O.R Kalilu, has, on behalf of the Senate, approved the Intra-University Change of Programme for interested students. Please note that the window of opportunity that has been activated since Friday, 27th December 2024 will close on Saturday, 4th January 2025.

Interested 200 level students should upload their 100-level rain semester results and Cumulative Grade Point Average (CGPA), while those applying to other levels within the faculties are expected to upload their current level results, CGPA and other required relevant information on the platform.

Applicants are strongly advised against falsifying results and providing false information as these would attract disciplinary action in tandem with the university regulations and disqualification of the individual(s) involved in such an unwholesome act.

While it should also be noted that the platform can be accessed through the link “Transfer Request” in student’s portal (200L – 600L) Interswitch debit card after payment of Ten Thousand Naira (₦ 10,000:00) only, it must, however, be borne in mind that successful application for transfer and payment do not necessarily guarantee automatic approval of change of programme.

Thank you.
