Approved Revised Academic Calendar for the 2024/2025 Academic Session

Please be informed that the Senate at its 28th Special meeting held on Friday, 17th January, 2025 considered the revised 2024/2025 Academic Calendar.

In its consideration, the Senate noted the information that the need to review the initial approved Academic Calendar for the 2024/2025 academic session was due to the Christmas/New Year break which held between Monday, 23rd December, 2024 and Sunday, 5th January, 2025.

I am to therefore inform you that after due consideration, the Senate **approved** the revised 2024/2025 academic calendar as shown on the attached.

The foregoing decision of the Senate is hereby conveyed for your information and further necessary action.

Thank you.
